Re: Davis, et al. v. Yates, et al.
Docket No. 2:15-cv-06943

Dear Judge Neals,

Undersigned counsel represents the Defendants in the above-captioned case. I write to request a sixty-day extension of the administrative termination date in the above captioned matter, which is presently scheduled for June 6, 2022. (Dkt. at 155).

I request this extension because additional time is necessary to consummate the settlement. Over the last two months, the parties have exchanged paperwork necessary to complete the settlement. One document was missing a signature from Plaintiff, and I noticed the omission approximately two weeks ago. I contacted Plaintiff about this omission, and he kindly sent me a signed version. I received the signed version in the mail this afternoon, and have sent it for processing.

With this issue resolved, I think it likely that the settlement will be completed in the next sixty days. For that reason, I respectfully ask the Court to extend the administrative termination date sixty days, to August 5, 2022.

I thank the Court for its consideration of the within request.
